

NETWORK TECHNICIAN JOB POSTING

cce911.org

Central County Emergency 911 is looking for a full-time Network Technician to manage and maintain computer networks, connections, and cabling. The role involves troubleshooting system issues, resolving network infrastructure problems, testing and configuring software, installing and maintaining hardware, supporting network components, and assisting with network administration and security. The technician will also address issues across LAN, WAN, cloud networks, and servers.

This position supports daily operations within the Technical Services Division of Central County and will collaborate closely with Fire and EMS supervisory staff, government agencies, and public safety jurisdictions to coordinate operational efforts. A significant portion of work will involve fire stations and field work.

QUALIFICATIONS NEEDED FOR SUCCESS:

- Legally authorized to work in the U.S.
- At least 18 years of age with a valid driver's license.
- Possess HS Diploma (or equivalent).
- Ability to read, write and speak English proficiently.
- Availability to be on-call after hours.

Internal applicants must be free from disciplinary action for the prior one-year period.

PREFERRED QUALIFICATIONS:

- Associate's degree in computer science, electronics, telecommunications, or related field.
- 2+ years of experience in network administration working with wireless systems and peripheral devices.
- Experience with NextGen911, CAD/RMS, Fire Station Alerting, phone and radio systems, and related software and technology.
- Expertise in networking equipment and troubleshooting performance issues.
- Experience working with vendors for equipment procurement, maintenance, and support.
- Wireless, network, and security certifications (CWNA, CCNA, CISSP, CompTIA Security+/Network+) or related.

EXCEPTIONAL BENEFITS AWAIT YOU:

- **Competitive Pay:** Based on experience and qualifications (minimally qualified starts at \$26.71/hour).
- **Comprehensive Health & Vision Coverage:** 100% paid premiums for you **and your family**.
- **Dental Reimbursement Program:** \$2,000 annual reimbursement for each enrolled participant.
- **Employee Life Insurance, Short-Term Disability Coverage and Long-Term Disability Coverage.**
- **Voluntary Worksite Benefits:** A variety of optional benefits to meet your needs.
- **Retirement Plans:** Company-paid Retirement Savings Plan and a Voluntary Employee Retirement Plan (457 Deferred Compensation) to secure your future.
- **Paid Time Off:** Vacation, Personal Days, and Sick Time to support work-life balance.
- **Education Reimbursement:** We invest in your growth with a program to help fund your education.
- **Annual Uniform Allowance:** Keep your gear fresh with a \$400 annual allowance for uniforms.

We take pride in offering a comprehensive benefits package designed to support your well-being, professional growth, and long-term success!

TO APPLY: Apply on-line through Central County Emergency 911's career site and upload your resume as well as any other accompanying documentation at: <https://cce911.aaimtrack.com/jobs/>. Pre-placement testing is part of the interview process. **The deadline for applying is Monday, May 26, 2025.**

Central County Emergency 911 is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, Central County Emergency 911 will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.
